## Building High-Performing Teams and Overcoming Personal Constraints®

### Leadership Blueprint Recharged Overview

Great Performance Doesn't Happen By Accident - Leaders Make It Happen

Successful leaders understand that building relationships and creating transformational teams takes time, trust, and candid conversations. *Leadership Blueprint Recharged* helps leaders continue to build the skills needed to create the intentional culture they envision.

Leaders often see the need for change in their organization, but may not see any need for change within themselves.

At *Leadership Blueprint Recharged*, leaders reexamine their own personal behaviors that could negatively affect the culture and outcomes they are striving to create. In addition to their own behavior, leaders learn to address the behaviors of the team, knowing when to affirm appropriate behavior and how to effectively address inappropriate behavior.

#### Approach:

*Leadership Blueprint Recharged* is an engaging, hands-on experience. Building on the skills and tools introduced in *Leadership Blueprint™*, leaders will deepen their understanding of the techniques and processes necessary to create a successful team and campus/district.
