

Leadworthy® Certification

Preparing Instructors to Teach Leadworthy The Course™

When students discover their self-worth and they approach life ready to achieve, the opportunities are endless. This certification prepares instructors to teach *Leadworthy The Course*.

Introduction

Leadworthy The Course (formerly *Teen Leadership*™) focuses on critical, life-changing skills for grades six to twelve. The *Leadworthy* teacher's certification prepares an instructor to deliver both versions of *Leadworthy The Course* (Middle School and High School). Schools can offer these courses in semester or full-year formats.

Participant Outcomes

Course Leaders learn to:

- Lead *Leadworthy The Course* curriculum for middle-school and high-school
- Reinforce principles and model skills from *Capturing Kids' Hearts 1*®
- Use the digital *Leadworthy Course Leader Guide*
- Navigate *I♥CKH*™ and the resources available to them online
- Practical guidelines for implementing a successful class

Approach

This 2-hour interactive virtual experience prepares Course Leaders to teach *Leadworthy The Course*. Participants learn course principles and how to use the Course Leader Guide, including sequencing, pacing, and grading. This experience includes modeling of skills to effectively facilitate lessons and create engaging classrooms.

Who Makes a Great Course Leader?

Because a strong, trusting connection with students is essential, the choice of a Course Leader for *Leadworthy The Course* is crucially important.

The following qualities should be considered.

- Highly self-motivated and tends to take initiative
- Has a positive relationship with students and staff
- Has an outgoing and friendly personality
- Effective communication and presentation skills
- Maintains high expectations for student performance

Prerequisite

- *Capturing Kids' Hearts 1*

Cost

- \$295 per person
