**KIM WILSON**  
*Leadership Development Strategist*

## **BIOGRAPHY //**

Like a great utility player to any sports team, Kim Wilson comes ready to play a variety of positions. Kim was born and raised in Parkersburg, West Virginia. He graduated from various institutions including the Citadel with degrees in education, counseling and guidance, along with a master's degree in school administration. Along with time in the classroom he continued his educational career in South Carolina working as a Director of Guidance, Associate Principal, then a Principal, and ultimately the Executive Director of Secondary Learning. Of his various recognitions and achievements, he is most proud of being named South Carolina Secondary Principal of the year 2013-2014.

Having attended his first *Capturing Kids' Hearts* training in 2010, Kim felt the process was a perfect fit to his leadership philosophy. He trained his entire staff from the school porters to the front office along with all teachers in *Capturing Kids' Hearts* processes. Soon Stall High School was recognized as a *Capturing Kids' Hearts National Showcase School*. Kim believes that the success of a school begins with the leadership. It is their responsibility to develop a school culture based on strong relationships.

Kim resides in Charleston, South Carolina with his beautiful wife, Betsy, also an educator. They have two children: Whitney, who recruits teachers for the Charleston County School District and Wesley, an engineer. They are expecting their first grandbaby in December 2018. ■
